Section 90 of the Indian Evidence Act allows certain presumptions to be made in respect of documents more than 30 years old and coming out of proper custody. Prior to the year 1935 all the courts in British India allowed this presumption to be made in respect of the copies of such documents also when the originals had been lost and destroyed. This practice received judicial recognition as early as 1880 (*vide* 5 Cal., p. 886). During the period of 55 years when this practice was in force in India there were no complaints of its ever having been abused. It gave the necessary facilities to the holders of ancient title-deeds, who had lost the originals and who could not possibly procure evidence for proving copies of documents, the parties and witnesses to which had died long before a dispute arose in respect of them. In 1935, however, the Privy Council in Basant Singh *Vs* Brij Raj Saran 1935 A. L. J. Page 847, held that section 90 dealt with the original documents only and had no application to copies. It expressly overruled the rulings in 5 Cal. page 886 and 41 All. 592. This ruling of the Privy Council has upset a well established practice, which was supported by all the High Courts of India. This has placed great difficulties in the way of persons who have the misfortune of having lost their original and old title-deeds and their number is by no means small in India. In addition to the difficulty of preserving old documents by individuals, the certainty and ease with which copies are available from the Registration Department has greatly added to the tendency of not caring much for the originals. It cannot be denied that the copies obtained from the Registration Office or other Government offices are very good substitutes for the original documents. In many cases such copies are much more reliable than unregistered original documents. The effect of this ruling, however, is that the holder of a doubtful original documents is placed in a better position, than a person who relies on the copy of a registered document, the executant of which made an admission regarding his execution before a regularly appointed Government official. The ruling of the Privy Council relates both to the copies of registered and unregistered documents, and as a matter of fact in the case concerned their Lordships were dealing with the copies of an unregisterred document. The object of the present amendment, however, is to give some relief to the holders of the copies of registered documents only, the holders of the copies of unregistered documents have been left to their fate. It is hoped that the revival of an old and well established and good practice will give great relief to the public.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 21st March, 1941:—

L. A. BILL No. 20 OF 1941.

A Bill to simplify the procedure in appeals to the Federal Court.

WHEREAS it is expedient to simplify the procedure in appeals to the Federal Court, and to give the said Court full powers to regulate its own practice and procedure under section 214 of the Government of India Act, 1935;

It is hereby enacted as follows.—

Short title.

1. This Act may be called the Code of Civil Procedure (Amendment) Act, 194 .

Repeal of section 111-A of Act V of 1908.

2. Section 111-A of the Code of Civil Procedure, 1908 (hereinafter referred to as the said Code), is hereby repealed. V of 1908.

Repeal of Rule 17 of Order XLV in the First Schedule to Act V of 1908.

3. Rule 17 of Order XLV in the First Schedule to the said Code is hereby repealed.

STATEMENT OF OBJECTS AND REASONS.

The Government of India (Adaptation of Laws) Order 1937 added Secs. 111-A and O. 45 r. 17 to the Civil Procedure Code and thereby made the procedure of Privy Council Appeals applicable to Federal Court Appeals. The aforesaid procedure is cumbersome and dilatory, meant for appeals to a Court six thousand miles away and should not be applicable to a court of appeal situated in India Moreover, the addition of these provisions to the Civil Procedure Code have derogated from the powers of the Federal Court to regulate its own practice and procedure under section 214 of the Government of India Act and has been commented on unfavourably by the Federal Court in its decision in case No. 15 of 1939, Lachmeshwar Prasad Shukul *Vs.* Basdeo Lal Chaudhury. It is desirable therefore both from the points of view of simplifying procedure in Federal Court Appeals and restoring to the Federal Court its powers to regulate practice and procedure that the new additions to the Civil Procedure Code should cease to be operative.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 27th March, 1941:—

L. A. BILL NO. 21 OF 1941.

A Bill further to amend the Indian Succession Act, 1925.

WHEREAS it is expedient to amend sections 213 and 370 of the Indian Succession Act, 1925, in regard to testamentary succession of Indian Christians; It is hereby enacted as follows:— XXXIX of 1925.

Short title. **1.** This Act may be called the Indian Succession (Amendment) Act, 194 .

Amendment of section 213, Act XXXIX of 1925. **2.** In sub-section (*2*) of section 213 of the Indian Succession Act, 1925 (hereinafter referred to as the said Act), after the word "Muhammadans" the words "or Indian Christians" shall be inserted. XXXIX of 1925.

Amendment of section 370, Act XXXIX of 1925. **3.** In the proviso to sub-section (*1*) of section 370 of the said Act, after the word "administration" the words "or probate" shall be inserted.

*The Governor General has been pleased to accord the previous sanction required by section 67(*2*)(*a*), of the Government of India Act.

STATEMENT OF OBJECTS AND REASONS.

Prior to 1901, Indian Christian laboured under a serious grievance, namely, that they were compelled to obtain probate of wills and letters of administration with liability to pay death duties on the death of every owner of property under the Indian Succession Act X of 1865, while Hindus and Muslims were exempt from the provisions of the Act. They have since been partially relieved by being placed practically on the same footing as their non-Christian conutrymen in cases of intestacy under the Indian Christian Estates Administration Act VII of 1901; but where the deceased has left a will, they are still bound to obtain probate and pay probate duty as required by section 213 of the Indian Succession Act XXXIX of 1925 a section which does not apply to wills of Hindus, Buddhists, Sikhs or Jains except where such wills are of the class specified in clauses (*a*) and (*b*) of section 57 and to all wills of Muhammadans.

The necessity of making wills has been imposed upon Indian Christians by the provisions of the Indian Succession Act as to intestate succession being made applicable to them, which are far in advance of their usages and are derived from English law. It is felt as a serious hardship that in such circumstances Indian Christians should be compelled to obtain probate and should be made liable to pay death duties while their non-Christian countrymen to whom wills are a luxury are exempt. From this injustice they should be relieved by placing Indian Christians on the same footing as Hindus and Muhammadans in sections 213 and 370 of the Act.

The Ward Councillor of Ward No. 24 was appointed as a permanent ex-officio representative of the Calcutta Corporation on the Honorary Committee of Management of this Garden with a view to obviate the necessity of notifying a fresh appointment every year.

Dr. S. N. Roy Chowdhury, L.M.S., has been engaged on probation as a Medical Officer of this Garden on a monthly allowance of Rs. 25 per month with effect from 1st December 1939. He visits the Garden twice weekly and also attends serious cases or accidents among the employees.

In addition temporary men were engaged as required.

Notable Visitors.—The Garden was closed to the public on the 30th December 1939 from 7 to 9-30 a.m. on the occasion of the visit of their Highnesses the Maharaja and Maharani of Nepal. At the conclusion of their visit, His Highness very generously made a donation of Rs. 500 for distribution among the employees of the Garden.

Two Elephants—Begum and Joymala—were sent to Belvedere to carry a trumpeter and Father Christmas for the children's party given by Their Excellencies the Viceroy and the most Hon'ble the Marchioness of Linlithgow on the 28th December 1939. The Comptroller of their Excellencies household wrote to express thanks and appreciation of their Excellencies.

Her Excellency Lady Mary Herbert with her son visited the Garden on the 11th January 1940, and showed great interest in a number of the exhibits. She also rode the camel.

In December 1939, six cat-bears (Common Pandas) were acquired and two of them were sent to Belvedere for inspection by their Excellencies the Viceroy and the most Hon'ble the Marchioness of Linlithgow together with a written resume of their food and habits.

Important births.—There have been various important births amongst mammals and birds, the most important being one Hippopotamus (female) in September 1939, a female Camel in January 1940, and a male and two female Gayals. All are thriving and are a great attraction.

Since the outbreak of war it has been impossible to secure animals from outside India. Himalayan pheasants arrived in large numbers due to the difficulties attending their customary export, and the Garden was fortunate in being able to secure specimens of Blood, Hume's Barred-backed, Blyth's Tragopan, Koklas, Monal and Purple Kalij.

This year again the Garden succeeded in rearing a number of birds of which the most interesting were:—

Mute Swans;
Black Swans;
Tambourine Pigeons;
White Peafowl;
Common Peafowl;
Saras Crane; and
A number of Pheasants.

The following laid but either did not hatch or were unsuccessful in rearing chicks:—

Ostrich.	Argus Pheasant.
Emu.	Gold Pheasant.
Cheer Pheasant.	Silver Pheasant.

This cold weather again saw advent of a huge flock of Lesser Whistling Teal. It is hoped, in time that some will stay and breed. Actually one pair remained and bred but did not succeed in rearing their brood. Night Herons, Lesser Cormorants and Darters are represented in such quantities as to become a nuisance to pedestrians and a danger to the trees. A steady increase in the Cattle Egrets which visit the Gardens has to be reported. They are a most attractive sight as they sweep in to roost in the sun-set.

Losses.—This year as regards deaths the Garden has been most unfortunate as it lost several of very best exhibits. The greatest of these was the breeding pair of giraffes followed by a pair of young Anoas, two female Chimpanzees, a Tiger and a Mississippi Alligator. This Alligator had lived in the Garden Reptile House for at least 25 years.

Garden.—The good condition of the Garden was well maintained throughout the year and the lawns and walks presented a trim and neat appearance.

Flowers this year were particularly good and the Garden succeeded again in winning a silver cup, a medal and several first and special prizes for entries at the Agri-Horticultural Society's Exhibition.

Improvements.—The newly made re-inforced concrete building for hyaenas, a photo of which appeared in last year's report, was covered with interlinked wire-netting of one inch mesh.

Hippopotamus Pit.—Due to an unfortunate accident when a young Indian girl fell into the enclosure and was killed by the male Hippo on the 24th April 1939 immediate steps were taken to prevent a recurrence of the tragedy by lowering the ground level on the inside of the enclosure and by buttressing the walls. The path round the circumference of the pit was partly shut off and a fence of interlinked

wire-netting—three feet high was erected on the surrounding walls. A further fencing of expanded metal of 1½" mesh was placed 6' above and 5' below the platform, round the southern portion of the two pits and fixed in concrete.

A New Two Storied Building for Menial Staff.—The Committee of Management discussed the question of providing additional quarters for the menial staff of this Garden numbering more than one hundred and sanctioned erection of a two-storied building containing ten rooms on each floor with verandah and kitchen arrangements in Begunbari. Estimates and plans were called for from Messrs. Martin & Co., Mackintosh Burn, Ltd., and several other building contractors.

This building has since been erected and is of the following dimensions:—

130'–0" × 16'–10" with a platform 4' wide 1'–3" high on the ground floor and a projected open balcony 4' wide on the first floor level.

Rooms measure 10' × 10' × 10', kitchens 5' × 5' × 10' and verandahs 5' × 5' × 10'. Suitable ventilators have been provided for both rooms and kitchens.

Repairs to Old Quarters of the Menial Staff.—Extensive repairs have been effected to both the two-storied and single-storied blocks. It is further under consideration to provide "pucca" kitchen blocks opposite these quarters.

Boundary Wall.—The exterior face of both the Garden and Begunbari boundary walls were colour-washed.

Pheasant House.—The outer enclosures of cages Nos. 22 to 27 were so infested with rats that it was essential to thoroughly reconstruct the floor and sides. This was done with concrete spread on wire-netting and the whole laid on a brick foundation. The result, so far, has been completely successful.

Drain from Indian Antelope Paddock to the N. E. Moat.—In order to drain off stagnant rain-water from the new extension, a small section of underground and a much larger section of surface drain was constructed. This runs from the Indian Antelope Paddock to the moat enclosing the new extension. These steps have been effective in securing the necessary drainage in the heaviest of downpours.

Refreshment Pavilion.—The entire building including the roof-top was colour-washed and the whole interior portion including wooden works were painted.

Lesser improvements were such items as the construction of concrete food troughs for animals, additional shelters for deer, repair or replacement of fences, repair in all cases to cages was carried out in concrete or such material which would prove more lasting than that formerly used.

Financial Position.—Below is given a tabular statement showing the number of visitors and gate receipts for the last four years. It will be seen that receipts have shown a marked increase since 1936-37. The peak year, 1938-39, was due to the Chooramoni Yoga Festival, an event taking place only four times in a century. Without the aid of this festival the receipts have this year come within Rs. 774 of the record and had it not been for a bad monsoon the same would have

eclipsed this figure. It might be mentioned at this point that one or two public shelters for the visitors during the rains are very necessary and it is hoped that this appeal will reach both the eye and heart of some of the numerous charitable-minded friends of this Garden.

Years.	Visitors.	Receipts.
		Rs. a.
1936-37 ..	889,099	55,622 12
1937-38 ..	936,744	58,664 9
1938-39 ..	1,038,678	65,009 8
1939-40 ..	1,027,649	64,235 8

The Committee desire to convey their thanks to the Corporation of Calcutta for having again sanctioned our exemption from the payment of rates for the year 1939-40.

A large number of children under four years of age and many school children attended by their teachers were admitted free to the Garden. In addition 59,724 persons visited the Garden on free days. This would represent a sum of over Rs. 3,700.

A detailed statement of the number of visitors and receipts appears in Appendix B.

The Committee also wish to convey their appreciation and thanks to those members of the public as well as to members of the Garden who have contributed towards the satisfactory results achieved during the year under review.

A list of those ladies and gentlemen who have made gifts to the collection will be found in Appendix C. There were in addition many offers to present animals to the Garden, but these offers could not always be accepted either because the particular species was already sufficiently well-represented, or owing to want of accommodation.

The Committee also desire to express their thanks to the following Railway and Steamer Companies for kindly conveying animals belonging to the Garden free of charge:—

(1) British India Steam Navigation Company.

(2) East Indian Railway.

(3) Rivers Steam Navigation Company, Limited.

The band of the 1/15th Punjab Regiment could not be engaged for the whole cold weather season but the Howrah Police Band were an able substitution to the Regiment after they had left Calcutta. Thanks of the Committee are due to both the Commanding Officer and the Superintendent of Police for their assistance.

The Committee again record their indebtedness to those members of the public who sent old or broken down horses to the Zoological Gardens, where they are destroyed under the most humane conditions.

G. D. McNAIR,

President.

H. A. FOOKS,

Honorary Secretary.

SUPERINTENDENT'S REPORT.

I have the honour to submit the following comparative table showing the stock on the 31st March, in the collection during the last four years:—

Years.	Mammals.	Birds.	Reptiles.
1936-37 ..	448	2,121	69
1937-38 ..	441	2,456	90
1938-39 ..	426	2,219	112
1939-40 ..	418	2,125	50

The decrease in the mammals is due to a policy of not overcrowding the existing enclosures and steps were taken to thin out a number of deer.

The Reptile House owing to subsidence on one side which has cracked the plate glass fronts to the cages, has been only partially filled pending repair or remodelling.

Amongst the important additions during the year the following deserve special mention:—

By purchase—

1 Llama.
6 Cat-bears.
1 Red and yellow Macaw.
1 Blue and yellow Macaw.
11 Blood Pheasants.

By Birth—

1 Hippopotamus.
1 Camel.
1 Grant's Zebra.
1 Barbary Sheep.
3 Gayals.
2 Common Marmosets.
8 Mute Swans.
4 Black Swans.
1 Green Imperial Pigeon.
2 Tambourine Pigeons.
1 Scarlet Ibis.
1 White Peafowl.
1 Saras Crane.

A tiger was found to have died of intestinal lesions. Other common ailments were Streptothricosis, Mycosis and Avian Pasturella.

Post-mortem examinations were held on all important animals and doubtful cases were sent to the Principal, Bengal Veterinary College, for his examination, to whom thanks are due for his practical advice and suggestions whenever approached.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 8th April 1941.

Third Forecast of the Wheat Crop of Bengal, 1940-41.

(*Note.*—On an average of the five years ending 1938-39, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on, has, in the five years ending 1938-39, averaged (*a*) 44·4 and (*b*) 8·4, respectively.)

Character of the season.—After the issue of the Second Forecast continued drought adversely affected the growth of the crop and thus reduced the outturn for the province.

Acreage.—According to the estimates of the District Officers, the total area sown comes to 169,100 acres this year as against 177,000 and 177,100 acres respectively in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 60 per cent., as against 74 and 73 per cent. respectively in the corresponding and final forecasts of last year.

Taking the normal yield to be 9 3/5 maunds per acre, the gross yield of the crop for the province is estimated at 35,800 tons as against 46,200 tons and 45,600 tons respectively in the corresponding and final forecasts of last year.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

STATEMENT OF OBJECTS AND REASONS.

The Tarakeswar Shrine is one of the oldest religious institutions in this province, as appears from the many legends that have gathered round the Temple about its origin. It has for a long time been the devotional resort of people of even different creeds. Its endowments dating from ancient times bear testimony to its popularity and its religious importance. Since the opening of the Tarakeswar Branch of the East Indian Railway it has attracted pilgrims from various parts of India, making it almost an all-India religious institution. The offerings of the pilgrims have added considerably to its pecuniary resources which have enabled the Temple authorities to undertake the upkeep and maintenance of some charitable and educational institutions. Its potentialities for the good of the country are undoubtedly very great, and its affairs are properly managed, the surplus of the large income of the Trust Estate left after defraying the expenses of Debsheba may be available for maintaining many works of public utility. Until lately the administration of the Temple and its endowments rested entirely with the Mohunt of the Temple and the public had no control over it. As is almost invariably the case with irresponsible administration, abuses crept into the Temple management and public funds have been wantonly misappropriated and diverted to personal use, ignoring the interest of the deity, the pilgrims and the Hindu public at large. Matters came to a head during the régimé of ex-Mohunt Satish Chandra Giri, and some public spirited individuals and representative bodies and institutions prosecuted at considerable cost a suit under section 92 of the Civil Procedure Code and succeeded in removing from the Mohuntship the said Satish Chandra Giri who was found guilty of misappropriation of vast sums of money belonging to the Tarakeswar Estate, and also of gross immorality. A scheme has been framed in the said suit for the proper administration of the Trust Estate. It has, however, been found defective in many particulars as appear from the oft-recurring disputes and differences between the committee and the Mohunt necessitating constant references to the District Judge of Hooghly. Grave doubts have been entertained as to whether, after the disposal of the said case under section 92 of the Civil Procedure Code, the District Judge has got jurisdiction to interfere in the internal administration of the Temple and the Trust Estate.

In these circumstances, it is deemed necessary that the administration and governance of the Tarakeswar Temple and its endowments should be placed on a better footing by legislation providing for a Committee of Management fully representative of the Hindu public and making it responsible to the Hindu public and the Local Government and properly defining the rights and duties of the committee and the Mohunt. This is the object of the proposed legislation.

It cannot be pretended for a moment that the other temples and religious and charitable institutions of the province are on a better footing than the Tarakeswar Temple. Some are in a far worse position. The public spirit that may put section 92 of the Civil Procedure Code into operation against the management of these institutions is sadly lacking in this country. Moreover, it is a very costly affair, as the said suit in connection with the Tarakeswar Temple has shown. A comprehensive legislation affecting all the Hindu public temples and religious and charitable institutions of the province is overdue. It is Government only which can undertake such legislation, requiring as it does a detailed survey and examination of the history and customs of these institutions. Pending such legislation the chances of which are far too remote now, this Tarakeswar Temple should have a special and prompt consideration. This Bill is introduced with this end in view.

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 21st March, 1941:—

L. A. BILL No. 18 OF 1941.

A Bill to limit to a maximum of Rs. 50 per annum the amount payable in respect of any person by way of tax on professions, trades, callings or employments.

WHEREAS by section 142-A of the Government of India Act, 1935, it is provided that no Provincial law relating to taxes for the benefit of a Province, or of a municipality, district board, local board, or other local authority therein, in respect of professions, trades, callings or employments shall be invalid on the ground that it relates to a tax on income and that the total amount of such tax payable in respect of any one person shall not, after the 31st day of March, 1939, exceed Rs. 50 per annum;

AND WHEREAS it is further provided in the said section that any such tax which was in force during the financial year ending with the 31st day of March, 1939, may continue to be lawfully levied at a rate higher than Rs. 50 per annum unless provision to the contrary is made by the Federal Legislature;

*The Governor General has been pleased to accord the previous sanction required by the Government of India Act, 1935, and by sub-section (2) of section 67 of the Government of India Act, as saved from repeal by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936, to the introduction in the Legislative Assembly of this Bill.

AND WHEREAS it is expedient that provision shall be made whereby the total amount payable in respect of any such person by way of such tax shall not exceed Rs. 50 per annum;

Now it is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act shall be called the Professions Tax Limitation Act, 1941.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force on the 1st day of April, 1941.

Limitation of tax.

2. Notwithstanding the provisions of any law for the time being in force, any taxes, duties, cesses, or fees payable in respect of any one person to a Province, or to any one municipality, district board, local board or other local authority in any Province, by way of tax on professions, trades, callings or employments, shall from and after the commencement of this Act cease to be levied to the extent to which such taxes, duties, cesses or fees exceed Rs. 50 per annum.

STATEMENT OF OBJECTS AND REASONS.

By section 142-A of the Government of India Act, 1935, which was inserted in that Act by the India and Burma (Miscellaneous Amendments) Act, 1940, Parliament's intentions regarding item 46 (Taxes on professions, trades, callings and employments) in the Provincial Legislative List in Schedule VII of the Government of India Act, 1935, are clarified. The new section, while continuing the right of Provinces to impose a tax on professions, trades, callings and employments limits the incidence of that tax in respect of any one person to a maximum of Rs. 50 per annum save in the case of those Provinces in which a tax on professions, trades, callings and employments was levied at a higher rate prior to 31st March, 1939. In such cases exemption is granted from the operation of the limit of Rs. 50.

The result of this is therefore that, whereas in most Provinces taxes on professions, trades, callings and employments are limited to the maximum of Rs. 50 per annum in respect of any one person, in the Madras Presidency the maximum rate is as high as Rs. 1,000 per annum in the city of Madras and Rs. 550 per annum in the districts outside the city. There may be other Provinces in which, by the proviso to sub-section (2) of section 142-A of the Government of India Act, 1935, the maximum of Rs. 50 per annum does not apply.

There is a widespread demand in the Madras Presidency that the profession tax, which is levied by municipalities and local boards under Provincial legislation, and is based solely on income, should be subject to the maximum of Rs. 50 per annum. This Bill seeks to give effect to that demand and extends the limit now laid down in sub-section (1) of section 142-A of the Government of India Act, 1935, to those Provinces in which, owing to the proviso to sub-section (2) of section 142-A the limit of Rs. 50 does not now apply. It is desirable that there should be uniformity in this matter, and this Bill seeks to establish that uniformity for all Provinces.
